Quilt size: 82" x 82" / Block size: 19" square

This stunning quilt looks incredibly complex but is very easy and so much fun to piece. If you enjoy fun and unexpected surprises as you construct your blocks, you'll love this design. No matter what fabrics you begin with, the finished blocks will look oh-so-different than what you would expect. I'll share dozens of helpful hints and tricks with you to make these blocks of many seams stitch together with absolute ease. The best part is that there are almost no points to match! Your fabrics will dance delightfully with excitement and the finished quilt will certainly dazzle!
