

# Lotsa Dots!

## by Kimberly Einmo

In this class you'll learn fun, new techniques for decorative machine applique and you'll be able to experience the ease and accuracy of the Accuquilt GO! cutter. If you choose to make your quilt larger after class, simply select 1 Layer Cake (or 40 – 10" squares) plus 2¼ yards background fabric.

### Supply List for Class:

- **EZ Jelly Roll Ruler** by Kimberly Einmo (I will have them for sale in class at a discount.)
- Fabric as listed in the chart below
- 45 mm (or larger) rotary cutter with a sharp new blade
- Rotary mat
- 50-wt. cotton thread in a neutral shade for piecing (I recommend Aurifil)
- At least 2 spools of 50-wt. cotton thread in a contrasting color for machine appliqué
- 1 yard lightweight fusible web (I recommend Soft Fuse Premium™.)
- 1 yard lightweight tearaway (temporary) stabilizer (Sulky® Tear Easy™ Stabilizer works well.)
- Basic sewing supplies such as scissors, straight pins, seam ripper, etc.
- The class kit will include a twin needle.

### Fabrics

Prints or batiks are recommended for the circles and block setting squares. Make it easy on yourself and buy a Layer Cake and yardage for your background fabric!
