

Flying Geese Crossing Supply List

52" x 52" / Designed by Kimberly Einmo

Email: Kimberly@kimberlyeinmo.com
 Website: www.kimberlyeinmo.com

Block Size: 14" Finished

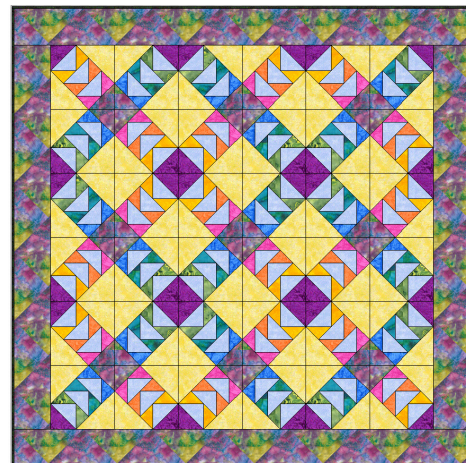

Skill level: Intermediate

Thanks to this clever design and my signature technique for making no-fail flying geese units, this gorgeous quilt is comprised of straight set blocks that give the illusion of diagonally set rows. Only you'll know how easy it is to actually construct. The best part about using my **EZ Flying Geese Ruler** and technique is there is no math, no wasted fabric, and no stress! Come prepared to learn everything you'll need to know to create a glorious quilt that is easily customizable. You'll complete the class as a flying geese-making pro using simple strips, plus you'll have a great time learning lots of tips and tricks along the way!

Directions and instructions given in class are for the **EZ Flying Geese Ruler** method. *Rulers will be available for sale in class at a discount.*

Supply List

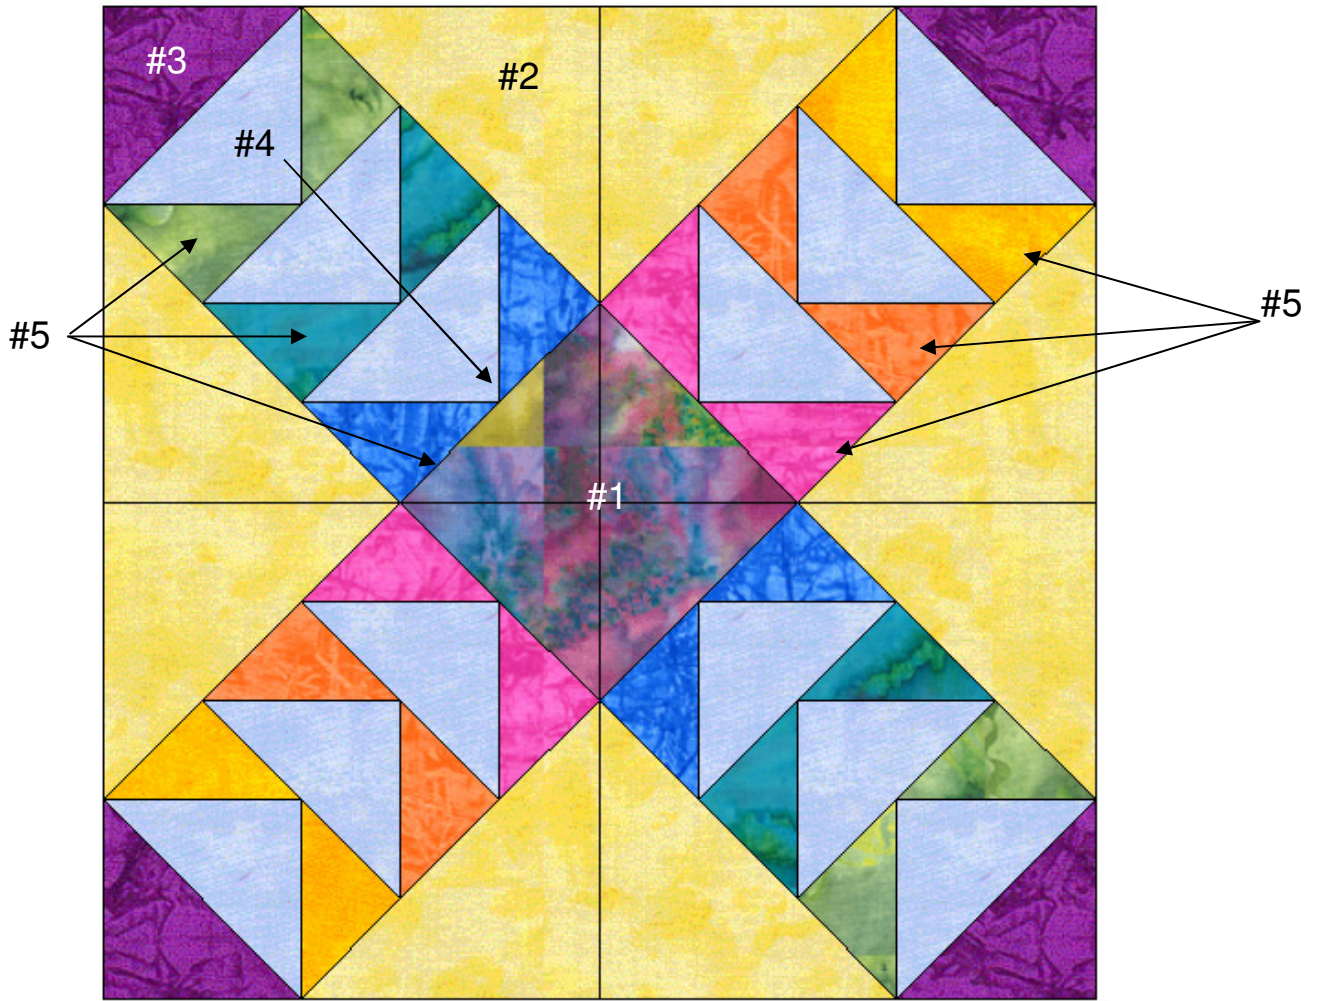

- **EZ Jelly Roll Ruler** by Kimberly Einmo (optional).
- You may elect to bring **ONLY the fabric amounts listed in RED in the Fabric Requirements chart to class.** Or, you can bring all the fabric as listed.
- Yardage amounts are provided for entire quilt. The complete pattern will be provided in class.
- 45 or 60 mm Rotary cutter. *Splurge on a new blade!*
- Glow-Line tape for rulers (optional).
- Cutting mat 12" or larger and your favorite rotary cutting ruler.
- Square ruler, 10½" or larger (optional).
- 10" square template plastic.
- 50 wt. cotton thread to match your background fabric.
- BSS including anything that will make your classroom sewing experience more enjoyable!

FABRIC REQUIREMENTS

Cut all strips selvage to selvage / width of fabric (WOF) EXCEPT for Fabric #1

Fabric	Value	Yardage	Cutting Instructions. <i>Do NOT cut anything but strips for class!</i>
#1	Multi-Color	1½ yards	<ul style="list-style-type: none"> • Cut 4 – 5½" strips from LOF (length of fabric) for outer borders. • Cut 2 – 2½" strips from LOF.
#2	Background	1 yard	<ul style="list-style-type: none"> • Cut 6 – 5½" strips. Bring 2 – 5½" strips to class.
#3	End Triangles	½ yard	<ul style="list-style-type: none"> • Cut 3 – 2½" strips. Bring 2 – 2½" strips to class.
#4	Center Triangles	¾ yard	<ul style="list-style-type: none"> • Cut 8 – 2½" strips. Bring 2 – 2½" strips to class.
#5	Side Triangles	1½ yards total from one fabric OR ¼ yard each of six fabrics	<ul style="list-style-type: none"> • Cut 12 – 2½" strips from one fabric OR cut 2 – 2½" strips EACH of six fabrics. Bring 2 – 2½" strips from one fabric OR 1 – 2½" strip from each of six fabrics to class.

Use the diagram above for color and fabric placement within your blocks.
*Note: for my version, I used six different fabrics for Fabric #5 (the side triangles of the flying geese units.)
You may choose to use one fabric for Fabric #5.*
