

# Modern Skill-Building Sampler Quilt

*Learn every trick in the book for using precuts or fabrics from your stash effectively!*

by Kimberly Einmo

Level: Skilled Beginner/Intermediate

Pre-cut fabric packs are one of the *hottest* trends in quilt making today and quilters everywhere just can't resist these delectable textile treats! And their versatility is absolutely perfect for this fun-filled workshop to turn all those enticing 2½" strips and 10" squares into a fabulous quilt. Let Kimberly introduce you to the exciting and wonderful world she calls "modular piecing," which is a *system of simple, pieced units used to create new blocks, settings or complex-looking designs*. Using squares, rectangles, triangles, diamonds and a myriad of basic 'building blocks,' Kimberly will show you how to efficiently piece a wide range of blocks in modular sizes. She'll teach you dozens of her best tips and tricks and how to use her *EZ Flying Geese* and *EZ Jelly Roll Rulers* along with traditional methods to their best advantage with *no math, no wasted fabric*, and best of all, *no stress!* Featuring fabulous techniques from her book, *Precut Bonanza*, Kimberly will share every trick in the book for precision piecing to create beautiful blocks and unlock your inner design diva. You'll love her encouraging, upbeat, and energetic teaching style, so join her for this retreat-style workshop and create a stunning sampler quilt to graduate as a precuts piecing pro!
